About INFORMS
INFORMS (The Institute for Operations Research and the Management Sciences) is an international scientific society with over 12,000 members dedicated to applying scientific methods to improve decision making, management, and operations. Operations research (O.R.) is the discipline of applying advanced analytical methods to help make better decisions.

INFORMS serves the scientific and professional needs of O.R. analysts, consultants, scientists, students, educators, and managers, as well as their institutions, by publishing a variety of journals that describe the latest research in O.R.

INFORMS Dark Archive
An agreement with Portico assures institutional subscribers that electronic copies of INFORMS journals will always be available in the future.

INFORMS Journals Archive (1952–1997)
Purchase INFORMS online archival product at the one-time cost of $4,800. The Journals Archive contains all content from volume 1, issue 1 through 1997 of the nine INFORMS journals launched before 1998. Access the Archive website for online discounts. Discounts are based on your current INFORMS journal subscriptions.

INFORMS Terms & Conditions

1. No additional discounts are allowed.
2. Prepayment required for all orders. All payments must be in U.S. dollars drawn on a U.S. bank payable to INFORMS. MC, VISA, Discover, and AMEX are accepted.
3. Print subscriptions run on a calendar year basis, except for OR/MS Today.
4. Claims of non-receipt of a print journal should include the subscription ID number and MUST be made within six months of the given publication mailing date. Print issues claimed after this time may be purchased as single issues.
5. Online subscriptions provide access for the period Jan. 1 to Dec. 31 and are not tied to the availability of any specific issue of any journal. Annual renewals are required for continued service.
6. Online subscriptions include access to current volumes for subscribed journal(s) as well as backfile issues for subscribed journal(s). The backfile covers the period from 1998 to current year.
7. Please register your IP ranges via email to IPOcentral@informs.org or fax your IP list to 443-757-3515. INFORMS will register your IPs with Atypon on your behalf.
8. IP addresses used to access the INFORMS journal system must be located in the subscribing library or on the campus where the library exists. The convenience of access for the local campus has been included but is not additional charge.
9. Remote access by faculty, staff, and students is only permitted for the subscribing institutional campus. See the schedule above for remote access pricing. The institution is responsible for authentication of users accessing INFORMS PubsOnLine through remote access gateways proxy servers.
10. Multi-site access is only available on a limited basis with additional restrictions. Online subscriptions generally do not permit usage across multiple campuses. Please contact INFORMS to check if your institution is eligible for multi-site subscription pricing.
12. Requests for termination of any subscriptions will be honored with proportional refunds less a $25 cancellation charge.
13. INFORMS Transactions on Education, Stochastic Systems, and Analytics are open access publications. All copyright and reuse rules still apply.
